

## Valle di Muggio Green - Drink

This cocktail was created by the mixologists of Bar am Wasser in Zurich for Ticino Turismo.

### INGREDIENTS

- 5 cl Limoncello del Ticino
- 2 cl Lemon Juice
- 1 cl Kaffir Lime Cordial
- 2 leaves of Kaffir Lime
- Float cream

### PREPARATION

Pour limoncello, lemon juice, cordial in a shaker and add a lime leaf. Shake everything and pour the sifted drink into a glass of your choice. Add the cream with the help of a bar spoon.

Garnish with a lime leaf - this will make the drink look even more like the green Muggio Valley.
