

**WELCOME**  
TO ZURICH

## A LIVING CIRCLE MOMENT

*Dear friends of fine living,*

---

Welcome to The Living Circle. We are a small, hand-picked collection of hotels, restaurants and farmsteads, committed to offering a new experience in luxury. We believe that true luxury is all about keeping things simple, unpretentious and authentic.

Our properties offer the perfect space to take a little time out for the things that matter, for yourself, your family and friends. Take a boat along the River Limmat to the Storchen, spend the night at the Widder Hotel, surrounded by 500 years of history, hold a meeting in the Zunft Stube. Or how about cool sounds and drinks in the fabled Widder Bar, followed by a fine cigar in the Smokers' Lounge at the Storchen? With plenty to discover in Zurich and its surroundings as you make your way between them. Make a foray to Herrliberg, for example: visit Schlattgut farm or enjoy a cosy lunch at the Buech restaurant with a magnificent view of the lake and the Alps.

There's a whole world to discover – what are you waiting for?

BUECH  
HERRLIBERG

## BUECH RESTAURANT

*Unforgettable moments*

For over 100 years, the Buech restaurant has stood high above Herrliberg, in the shadow of towering beeches, at the heart of a mature vineyard.

It offers a unique blend of gentle countryside, joie de vivre and culinary delights.

The Buech has retained all the charm of a country inn from a bygone age, with creaking floorboards, aged wall panels and wooden tables polished smooth by generation after generation of guests.

The view is exceptional. Taking in Lake Zurich below, it stretches into the distance, from the gently rolling hills of the Hirzel to the high peaks of the Glarus and central Swiss Alps, all the way to the Jungfraujoch.
