IN THE FOOTSTEPS OF JAMES BOND

Verzasca Dam – Furka Pass – Bern – Schilthorn Piz Gloria

This 8-day tour of Switzerland allows you to experience some of the iconic settings for a number of scenes from the James Bond movies, culminating in Blofeld's Lair at Piz Gloria, atop the Schilthorn.

ITINERARY

Day 1 Arrival Switzerland

Lunchtime arrival at Zürich Airport. The Swiss railway network is world renowned for its comfort and efficiency. Take the train from inside the airport terminal and with a short connection at Zürich main station, continue via central Switzerland to Locarno, where you are based for 2-nights. Dinner this evening is at leisure.

Day 2 Verzasca Dam – "Goldeneye"

After breakfast, take the Postbus to "Diga Verzasca", a short 20-minute ride from the station in Locarno. Here you will find the Verzasca Dam, where you can stand and look down to the valley floor, just as Bond did in the eighteenth 007 film, "GoldenEye". The Bungee Jump is optional..... The afternoon can be spent exploring the Verzasca valley, before returning to Locarno for the evening. Dinner this evening is at leisure.

Day 3 The Furka Pass – "Goldfinger"

This morning, take the train via Bellinzona to Andermatt, connecting there with the train to Brig. This journey passes close to the Furka Pass, where Bond famously drove at high speed in the third 007 movie, "Goldfinger", dealing with endless hairpin bends en route. The journey continues to Brig, where you make the final connection towards Bern, where you enjoy a 2-night stay. Dinner this evening is at leisure.

Day 4 Bern – "On Her Majesty's Secret Service"

The Swiss capital, Bern, is one of the world's most beautiful cities and features in the early part of the sixth 007 movie, "On Her Majesty's Secret Service". A UNESCO World Heritage site, it's old town is truly delightful. A tour of the old town is included with a private guide. Dinner this evening is at leisure.

Day 5 – Lake cruise to the Berner Oberland

After a leisurely breakfast, take the train from Bern to Thun, on the shores of the lake of the same name. From here, take a cruise to Interlaken, and the famous Eiger, Mönch, and Jungfrau should make an appearance. At Interlaken, connect again with the train towards Lauterbrunnen and onwards via Stechelberg to Mürren, where you enjoy a 3-night stay. Dinner this evening is included at the hotel.

Day 6 Lauterbrunnen & Grindelwald – "On Her Majesty's Secret Service"

After breakfast, enjoy the views from your hotel terrace before heading down to the station in Lauterbrunnen, where many scenes from the film were shot. From here, take the train via Zweilütschinen to Grindelwald, where the ice-skating scenes were shot in the centre of the village. Grindelwald is surrounded by majestic peaks and provides the perfect setting for a full day in the Swiss Alps. Dinner this evening is at leisure.

Day 007 Mürren & Schilthorn Piz Gloria – "On Her Majesty's Secret Service"

The final day of this memorable trip starts with an early-morning ride on the cable car to Piz Gloria, Blofeld's lair in the movie. Many of the scenes were shot here, and many of the scenes and props from the movie can still be seen. Your James Bond breakfast comes with a glass of Bollinger champagne, Bond's favourite. A tour of Bond World after breakfast gives you further insight into how the movie was made and provides a fantastic interactive experience for all Bond fans. The rest of the day can be spent at leisure at Piz Gloria, where the views are simply too spectacular to be rushed. Make sure you leave time to experience the Thrill Walk, Allmendhubel, and Mürren again, where further scenes of the movie were shot. Dinner this evening is back at your hotel.

Day 8 Mission Completed

After breakfast, take the train from Mürren and make your way to the airport for your flight home. Your mission is complete.
