

READY-MADE PACKAGES

Sustainable activities

1

Discover Oreste's bees

A sweet discovery surrounded by nature. Hardworking bees are fundamental actresses for the well-being of our planet and our ecosystem and delight us with their fruit of hard work: honey. Oreste, an expert beekeeper, will accompany you to learn about the fascinating and mysterious world of bees. After the visit you can taste two types of honey produced in the apiary accompanied by local cheeses and other snacks.

Price from CHF 35

2

Among the beauties of the farm

Immerse yourself in an original experience by visiting a regional farm. Enjoy a brunch with fresh, wholesome flavours served in a cozy, relaxed atmosphere. The brunch features a variety of farm products, local dishes and home-made preparations. In addition, you can find pancakes, bagels, home-made cakes, a variety of cheeses and much more. In addition to the culinary experience, you can visit the farm animals.

3

Shopping at the farm

Combine eco-mobility with sustainable consumption by buying directly from producers. The guided tour starts in Bellinzona and passes through the Piano di Magadino a beautiful scenery of cornfields, orchards, and farm animals. At each farm you can purchase regional products ranging from cheeses to vegetables and sausages. The guide will deliver your purchases to your destination at the end of the tour.
