Paragliding weekend

Monte Lema is considered by paragliding enthusiasts to be one of the most beautiful places in Switzerland to practice this discipline. From its height of 1620 metres, there is a breath-taking view of the Ticino lakes, the snow-covered Alps of the Canton of Berne, and the Valais peaks with their imposing glaciers.

For licensed pilots and flight school students:
Throughout the weekend it will be possible to take part in various competitions: Hike & Fly Competition and Precision Competition and Lema-CCC final days. The prize money will be CHF 2,000 divided into several categories. Prize-giving on Sunday at 4 p.m.

For everyone else, young and old without any experience, there will be the opportunity to fly in a tandem with a qualified pilot at a promotional price.
In the afternoon, there will also be an introduction to ground handling of the paraglider by flight instructors.

In cooperation with:
CVLT (Club Volo Libero Ticino)
www.cvlt.ch
