Equipment
Mountain equipment necessary.

Signposting
The trail network is marked with its own green signs and is indicated on the ground by yellow signs for hiking trails, white-red-white signs for mountain trails and white-blue-white for alpine trails (along the Sassello wall).

Stopover points
Borgna Hut: with kitchen, services and dormitory.
Crápia Hut: simple emergency bivouac.

Connections
Vogorno can be reached by the Val Verzasca cantonal road and is served by the postbus that departs from the Locarno SBB station, passing through the Tenero SBB station and Gordola Post Office.
